

The Village of Bee Bell Monument

The Bee States Ballroom Committee was established to raise money for the many restoration needs of the Ballroom. One project undertaken by the Committee was the Bee Bell Monument, which displays the original Bee Public School bell purchased at public auction when the school closed. This monument, displaying the bell, is prominently displayed between the Bee States Ballroom and the Village Hall.

"Bee" a part of history!

We offer everyone the opportunity to create a lasting memory with the purchase of a personalized brick to display on our monument walls. ALL proceeds will go to the Bee States Ballroom and the Ballroom restoration project. Your donation is tax deductible and you will receive a receipt in the mail for your contribution.

We appreciate your support!
